- This coupon is nontransferable. Duplicates of this uniquely coded coupon are invalid and not redeemable at the pharmacy.
- If you use a mail-order pharmacy, please contact your pharmacy provider to ensure that this offer will be accepted.

This offer is only valid for ADVAIR DISKUS 250/50

Approved Uses for ADVAIR DISKUS 250/50 for COPD

ADVAIR DISKUS 250/50 is approved for adults with COPD, including chronic bronchitis, emphysema, or both. ADVAIR DISKUS is not for, and should not be used to treat, sudden, severe symptoms of COPD. ADVAIR won't replace a rescue inhaler. You should only take 1 inhalation of ADVAIR twice a day. Higher doses will not provide additional benefits.

Important Safety Information for ADVAIR DISKUS 250/50

- **People with asthma who take long-acting beta₂-adrenergic agonist (LABA) medicines, such as salmeterol (one of the medicines in ADVAIR DISKUS), have an increased risk of death from asthma problems.** It is not known whether fluticasone propionate, the other medicine in ADVAIR DISKUS, reduces the risk of death from asthma problems seen with salmeterol.
 - **Call your healthcare provider if breathing problems worsen over time while using ADVAIR DISKUS.** You may need different treatment.
 - **Get emergency medical care if:**
 - breathing problems worsen quickly and
 - you use your rescue inhaler medicine, but it does not relieve your breathing problems.
- Do not use ADVAIR DISKUS to treat sudden, severe symptoms of asthma or COPD. Always have a rescue inhaler medicine with you to treat sudden symptoms.
- Do not use ADVAIR DISKUS if you have a severe allergy to milk proteins. Ask your doctor if you are not sure.
- **Do not use ADVAIR DISKUS more often than prescribed. Do not take ADVAIR DISKUS with other medicines that contain long-acting beta₂-agonists for any reason.** Tell your doctor about medicines you take and about all of your medical conditions.
- **ADVAIR DISKUS can cause serious side effects, including:**
 - **serious allergic reactions.** Call your healthcare provider or get emergency medical care if you get any of the following symptoms of a serious allergic reaction:
 - rash
 - hives
 - swelling of the face, mouth, and tongue
 - breathing problems
 - **sudden breathing problems immediately after inhaling your medicine**
 - **effects on heart**
 - increased blood pressure
 - a fast and irregular heartbeat
 - chest pain
 - **effects on nervous system**
 - tremor
 - nervousness
 - **reduced adrenal function (may result in loss of energy)**
 - **changes in blood (sugar, potassium, certain types of white blood cells)**
 - **weakened immune system and a higher chance of infections.** You should avoid exposure to chickenpox and measles, and, if exposed, consult your healthcare provider without delay. Worsening of existing tuberculosis, fungal, bacterial, viral, or parasitic infections, or ocular herpes simplex may occur.
 - **lower bone mineral density.** This may be a problem for people who already have a higher chance of low bone density (osteoporosis).
 - **eye problems including glaucoma and cataracts.** You should have regular eye exams while using ADVAIR DISKUS.

To Healthcare Professional: If you are a healthcare professional who resides outside the state of Vermont but regularly practices in Vermont, please do not download, print, or otherwise accept coupons or vouchers for GSK products. Please visit www.GSKforYou.com for details.

Important Safety Information for ADVAIR DISKUS® 250/50 (fluticasone propionate 250 mcg and salmeterol 50 mcg inhalation powder) (continued)

- **pneumonia.** People with COPD have a higher chance of getting pneumonia. ADVAIR DISKUS may increase the chance of getting pneumonia. Call your doctor if you notice any of the following symptoms:
 - increase in mucus (sputum) production
 - change in mucus color
 - fever
 - chills
 - increased cough
 - increased breathing problems
- **Common side effects of ADVAIR DISKUS 250/50 for COPD include:**
 - thrush in the mouth and throat
 - throat irritation
 - hoarseness and voice changes
 - viral respiratory infections
 - headache
 - muscle and bone pain
- After each dose, rinse your mouth with water and spit the water out. Do not swallow.

ELIGIBILITY REQUIREMENTS

TO THE PATIENT: This coupon can be used whether or not you have insurance for the amount of your out-of-pocket expense for this prescription, up to a maximum of \$10. This coupon must be accompanied by a valid, signed prescription. You are NOT eligible to use this coupon if you are a government beneficiary. You are a government beneficiary if this prescription is covered by or will be submitted for reimbursement under any federal healthcare program, including Medicaid, Medicare (Part D or otherwise), or any similar federal or state programs, including any state pharmaceutical assistance program. Further, you MUST NOT be Medicare eligible and enrolled in an employer-sponsored health plan or employer-sponsored prescription drug benefit plan for retirees (ie, you are eligible for Medicare Part D but receive a prescription drug benefit through a former employer).

Not valid in Massachusetts if AB-rated generic drug is available for the product. Your acceptance of this offer must be consistent with terms of any drug benefit plan provided to you by your health insurer. You agree to report your use of this coupon to your health insurer if required. Only original accepted—not valid if reproduced. One per purchase. May not be used with any other discount or offer. Offer good only in USA. Void where prohibited by law, taxed, or restricted.

GlaxoSmithKline (GSK) and McKesson (on GSK's behalf) reserve the right to rescind, revoke, or amend this coupon without notice.

By redeeming this coupon, I, the Patient, certify that: (i) I have read and will comply with program rules and requirements, (ii) I have not submitted and will not submit a claim for reimbursement under any federal, state, or other governmental programs for this prescription, and (iii) if I am Medicare eligible, I am not enrolled in an employer-sponsored health plan for retirees or a Medicare Part D Plan.

This coupon is the property of GlaxoSmithKline and must be returned upon request.

GSK for you

If you don't have prescription coverage and can't afford your medicines, visit GSKforyou.com or call **1-866-GSK-FOR-U** (1-866-475-3678)

TO THE PHARMACIST: Please submit the amount of co-pay authorized by the patient's primary insurance as a secondary transaction to McKesson Corporation.

By redeeming this coupon, I certify that: (i) I have received this coupon from an eligible patient, (ii) I have dispensed the product as indicated, (iii) I have not submitted, and will not submit, a claim for reimbursement to the patient or any federal, state, or other governmental payer or to any Medicare Part D Plan, (iv) I have not retained or provided to any person or entity any portion of the amount being made available to the patient, and (v) I will otherwise comply with the terms hereof. I further certify that my participation in this program is consistent with all applicable state laws and any obligations, contractual or otherwise, that I have as a pharmacy provider.

It is a violation of federal law to buy, sell, or counterfeit this coupon.

For pharmacy processing assistance or questions, please call the Help Desk at **1-866-747-1170**.
